

Risk Assessment

Trailer Risk Assessment Form

The use of club trailers is restricted to approved individuals. Club captains will explain the guidelines to users.

All trailer users must fill in this form for **both outward and return** journeys. It is the trailer driver's responsibility to insure this is done.

Name of Driver	
Location of Event	
Date of Event	
Name of other responsible member	

CHECK LIST	OUTWARD JOURNEY			RETURN JOURNEY		
	Driver	Responsible Member	Comments	Driver	Responsible Member	Comments
Trailer tyres at correct pressure						
All trailer lights working						
Confirm the driver's license is appropriate to drive the trailer						
All ties are secure						
All boats are double tied down						
The trailer is correctly linked to the towing vehicle						
Safety cable is fixed around the stem of the tow bar						
Jockey wheel is up and tightly secured						
Extending rear number plate panel is correctly extended to within a yard of the overhang on the longest boat and the two twist grips are well tightened						

Comments about the condition of the trailer when you received it

Report any change of the condition of the trailer (if any) when you returned it
